

FoE Networking Afternoon

Meet researchers from all five
Fields of Expertise at TU Graz

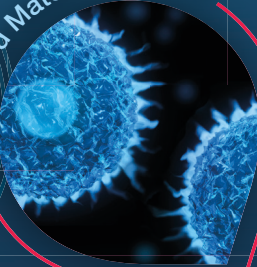

Location

Foyer Physics Building,
Petersgasse 16, 8010 Graz

Date and Time

9 July 2026
12 am - 3:15 pm

Advanced Material Science

Human & Biotechnology

Information, Communication & Computing

Fields of
Expertise

Mobility & Production

Sustainable
Systems

About the Event

Join us for the **FoE Networking Afternoon**, a unique opportunity to explore the wide range of research across all five Fields of Expertise (FoEs) at Graz University of Technology. Engage with colleagues, discover new research topics, and spark future collaborations in an open and inspiring environment.

HIGHLIGHTS

FoE Presentations: Learn what defines a Field of Expertise and explore their key research areas

Poster Session:

Gain exciting insights into current research projects

Networking Opportunities:

Connect with fellow researchers in a relaxed setting

Who Should Attend? Researchers, academic staff, and students at TU Graz interested in **interdisciplinary collaboration and innovation**.

PROGRAMM

12:00 Poster setup & networking with sandwiches and drinks

13:00 Welcome & introduction to FoEs (Lecture Hall P1)

13:10 Short presentations of all FoEs

14:00 Poster session with coffee & cake (Physics Lobby)

15:35 Group walk to the TU Graz Summer Festival

GET INVOLVED

Interested in presenting a poster?

Please contact your FoE via email by June 09, 2026, if you would like to display a poster or a demonstrator!

We look forward to seeing you there!
